Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The comparable property achieved approximately $5,000–$10,000 more, largely due to its slightly larger land size and backyard. However, this home offers a more generous living space, providing a great balance between indoor comfort and outdoor living.
