Reason there are fewer than three comparable properties

☐ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Although the three comparable properties have similar land sizes, they feature substantially larger dwellings than the subject property. This difference in building size and overall improvements is a relevant factor when assessing the subject property's estimated selling price.
