Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

There have been no directly comparable sales recorded within the past 12 months that accurately reflect the unique nature and overall offering of this property. The combination of approximately 14.68 acres of land, its position along the Great Ocean Road, proximity to Bells Beach and Torquay, established infrastructure and existing farmhouse creates a property that is distinctly different from typical rural or residential offerings in the area. The property's size, coastal location, mature surrounds, multiple sheds, dams and potential future uses further contribute to its uniqueness. Given these characteristics, there are very limited true like for like sales, requiring consideration of the property's individual attributes, location, landholding and overall potential.
