Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The subject property comprises approximately 8.16 hectares and includes a dwelling along with established equine infrastructure such as stables, arenas, paddocks and associated improvements. These characteristics are not commonly represented in recent local sales evidence.

Sales at 3422 Melbourne Lancefield Road, Lancefield, being approximately 6.48 hectares and sold for \$1,425,000, and 30 Talbot Track, Lancefield, being approximately 5.39 hectares and sold for \$1,500,000, were reviewed. However, both properties differ materially in land size and were assessed as not sufficiently comparable to the subject property to provide a reliable indication of value for the purposes of the Property Price Statement.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
