Important advice about the median sale price: When this Statement of Information was prepared, publicly available information providing median sale prices of residential property in the suburb or locality in which the property offered for sale is situated, and our sales records (if any), did not provide a median sale price that met the requirements of section 47AF (2)(b) of the Estate Agents Act 1980.

These are the three most comparable properties to the property for sale that were sold **within five kilometres** of the property for sale **in the last 18 months**.

If there were fewer than three, but one or two, comparable properties, these must be included below.

Reason there are fewer than three comparable properties

X	**I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

I was unable to locate 153 Prince of Wales Terrace, Riddells Creek within Ignite in order to prepare a Comparative Market Analysis (CMA) and Statement of Information using direct comparable sales.

After conducting a search of recent sales within the surrounding area, there appear to be limited comparable properties available that closely match the property's location, land size, improvements, presentation and overall offering. Due to the unique nature of the property and the lack of recent comparable sales evidence, there is insufficient data to accurately justify the proposed sale price range through standard comparable sales methodology alone.

The estimated sale price has therefore been based on broader market conditions, current buyer demand, surrounding sales trends and professional market opinion.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
