Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Only one comparable sale has been included in the Property Price Statement for 6 Bowkett Close, Romsey, due to the unique characteristics of the property and the limited number of properties offering similar attributes within the local market.

Situated on a substantial 3,321sqm allotment, the property has remained largely in its original condition since being constructed by the current owners. While there is potential for future improvements and modernisation to enhance the home's overall appeal and value, the significant landholding and sought-after location within a tightly held pocket of Romsey are important considerations when assessing its market value.

Given the combination of the property's original condition, generous allotment size and location, only one sale was considered sufficiently comparable for inclusion in the Property Price Statement.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
