Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Subject property has a detached sound proofed music studio with heating and cooling double glazed windows) which was built at a cost of \$140,000 by the current owners. The property has multiple covered high end entertaining areas with refrigeration Established luxurious manicured gardens & water features
