Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The property at 890 Yarragon Leongatha Road, Yarragon South is a unique bushland allotment with no current building permit, limiting its appeal and development potential. There have been insufficient directly comparable sales within the past 18 months involving similar bushland parcels with comparable planning and building constraints. Accordingly, broader market evidence and professional judgement have been applied when assessing the property's value.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
