Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Reason for fewer than three comparable sales:

The estate agent or agent's representative reasonably believes that fewer than three comparable properties were sold within 5 kilometres of the property for sale in the preceding 18 months.

Specifically, Ararat experiences low transaction volumes for low-maintenance, 2-bedroom strata units within established complexes. Recent sales of standalone residential houses on conventional allotments, larger multi-bedroom family homes, or fully modernized/upgraded units were excluded as they cater to different buyer profiles and fail to reflect accurate market value. 5/130 Lambert St ($280,000) and 1/130 Lambert St ($260,000) represent the only directly

comparable sales of similar layout, condition, accommodation, and complex positioning within the statutory timeframe.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
