Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The indicative selling price of \$650,000 – \$715,000 for 12/13 Baileyana Drive, Endeavour Hills, is derived from a holistic market assessment, as a comprehensive review of settled sales over the preceding six months confirms a total absence of comparable properties within the local suburb. The subject property occupies a distinct niche due to its non-standard, architectural floorplan, which features an expansive open-plan living environment and an unconventional multi-level bedroom layout that omits a traditional master suite with a dedicated ensuite. Standard 3-bedroom, 2-bathroom townhouses sold in Endeavour Hills over the past cycle almost exclusively follow traditional suburban layouts centered around a conventional primary suite; comparing such standardized stock directly to 12/13 Baileyana Drive would create a fundamentally flawed valuation. Because the property caters to a specific demographic seeking prioritized communal

living space and flexible bedroom arrangements rather than traditional suite boundaries, no recently sold properties share its spatial flow, target demographic, or functional utility. Consequently, in the absence of direct line-item comparables, the price range accurately reflects the property's unique design, spatial efficiency, and overall market positioning relative to both entry-level units and traditional family townhouses in the surrounding area.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
