Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Due to the limited number of recent comparable sales available in the area, fewer than three suitable comparable properties have been identified.

38 The Outlook has been taken into consideration as a relevant comparable due to having the same land size and a rectangular-shaped allotment, as well as its proximity to the subject property. It is a brand-new French Provincial-style residence with premium school zoning and a similarly luxurious façade and layout. The property also features a designer kitchen with marble finishes, a large island and premium Miele appliances; a fully equipped butler's kitchen with a Fotile gas cooktop and Miele dishwasher; an upstairs retreat with wet bar; a fitted study with marble-topped desk; and comprehensive security features including an alarm, CCTV and video intercom, etc.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
