## Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

There are currently no direct comparables for this property. Although it is built like a townhouse on its own block title, it features a standalone design with no shared walls, no body corporate fees, and its own street frontage.
