Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Woodswollow Entrance is part of a newer estate, and only two settled or unconditional sales in the development fall within the six-month window. The remaining sales within 2 km differ materially from the subject property, being mainly older stand-alone homes on larger blocks or new builds, which differ in land component, age, condition and finish.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
