Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

A review of recent comparable sales has been undertaken for 2/6 Mullock Road, Diggers Rest, focusing on properties sold within a 2-kilometre radius over the past six months.
At the time of assessment, there are no directly comparable properties that have sold within the specified 2-kilometre area and six-month period. As a result, there is limited recent sales evidence available to provide a direct comparison for this property.
The assessment should therefore take into consideration the property's individual features, condition, accommodation, location, land component and current buyer demand, together with broader market activity in Diggers Rest.
