Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Due to the limited number of recent comparable sales available in the area, less than three suitable comparable properties have been identified.

1/19 Crown Street is a brand-new townhouse with a range of modern features and strong geographical proximity to The Glen Shopping Centre, Wesley College, Glendal Primary School and Glen Waverley Secondary College. It also offers a higher level of accommodation and features, including three of the four bedrooms with ensuites, a butler's kitchen, a swimming pool in the backyard, an outdoor bathroom, zoned central heating and cooling, and smart lock entry, etc.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
