Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

There are minimal comparable sales in the last 18 months with a comparable allotment size or comparable dwelling.

We believe 36 Kennedys Road to be the most comparable property, given its similar landholding and dwelling size. However, it is considered superior overall due to its custom-built design and additional shedding.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
