Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There are limited directly comparable properties available due to the property's combination of substantial land size and lifestyle appeal. Properties offering a similar balance of land, accommodation and lifestyle features are relatively uncommon in the immediate area, making it difficult to identify recent sales that provide a true like-for-like comparison.

The property should therefore be assessed with consideration given to its landholding, lifestyle offering, overall accommodation and unique attributes, rather than relying solely on directly comparable sales.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
