Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

We were only able to find 1 recent comparable sale on this home based on the fact that this is a home that is not common in Sunbury. There has only been 1 similar home sold that is a new build townhouse in the main cbd of sunbury and even that home isn't as upgraded and unique as this.
This is a inner city style of townhome built in sunbury to test and see if the market likes these types of homes or not. This is why we believe there isn't any other comparables.
