Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The property is situated on a 476m2 allotment within the Kingsfield Estate and is a four bedroom, two and a half bathroom luxury residence. Properties of this size, configuration and level of finish are not frequently offered for sale within the estate, making it difficult to identify recent sales that provide a sufficiently comparable basis for inclusion within the Property Price Statement.

The median house sale price within the Kingsfield Estate is approximately $725,000. However this figure reflects the broader range of properties sold within the estate and does not necessarily provide a direct comparison for a four-bedroom luxury residence of this nature.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
