## Reason there are fewer than three comparable properties

- ☐ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The selected comparable properties represent the most directly comparable 3-bedroom residential homes sold within the Willaura township over the past 18 months, adhering to regional Consumer Affairs Victoria (CAV) guidelines. 12 Delacombe Way, Willaura (Sold July 2025 for \$230,000): Features a similar 3-bedroom, 1-bathroom home configuration. While it occupies a larger allotment (~1,700 m<sup>2</sup>) compared to the subject property (~986 m<sup>2</sup>), it establishes a solid baseline for homes with scenic township aspect and space. 11 Warranooke Street, Willaura (Sold September 2025 for \$215,000): Offers a direct structural and block match, featuring 3 bedrooms and 1 bathroom on a standard residential allotment (~1,000 m<sup>2</sup>) in the main township area. 57 Warranooke Street, Willaura (Sold April 2025 for \$236,000):

Provides a directly comparable residential benchmark regarding functional layout (3 beds, 1 bath), age, and price point within the same immediate locality. Together, these sales account for slight allotment variances while setting a clear, market-aligned price benchmark for 3-bedroom residential properties in Willaura
