Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

There have been two properties within 2km in the past 6 months that are of brick construction and have sold on similar land sizes. Both of these properties have external living/office capabilities, just as 38 Imbross Street does. 13 Myrtle Street, Hampton, sold on the 19th September for \$2,280,000 (607m²). 20 Florence Street, Brighton East sold for \$2,010,000 on the 1st August (604m²). 18 Imbros Street, Hampton sold on the 4th August, 2026 for \$2,300,000. This property is an older-style brick home with 4 bedrooms & 3 bathrooms.
