Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

When preparing this Property Price Statement (PPS), we believe there are fewer than 3 comparable properties. This is mainly based on the renovation level of the kitchen and bathrooms in other 2-bedroom units of similar age, sold within a 2km radius in the last 6 months. These two sales were chosen based on their age, original kitchens and bathrooms and the ability to park two vehicles.
