## Reason there are fewer than three comparable properties

**I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The comparable properties included in this PPS have been selected as the two most comparable properties identified for the subject property at 13B Townley Boulevard, Werribee, VIC. These properties are 24 Koodya Street, Mambourin and 11 Pigment Drive, Mambourin. The comparable properties have been selected for their similarities in terms of location, property type, land characteristics and other relevant attributes. However, no two properties are identical, and differences in location, design, condition, improvements, land size, specifications, market conditions and other factors may affect their respective values and saleability. Accordingly, the comparable properties are provided for indicative comparison purposes only and should not be taken as a direct indication of the value or likely sale price of the subject property. The information and comparisons contained within this PPS should be considered in conjunction with all other relevant property and market information.
