Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

A search of all sales within the indicative selling price, 5 kilometres of the property over the last eighteen months. With each sale against Consumer Affairs Victoria's guidelines, land size, all features of dwelling, condition and location, the agent reasonably believes that no property sold within this area and period is a comparable property

Sale outcome
