Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

- This is considered the most comparable recent sale to 8 Milan Street, Doncaster East, based on the property's location, size and overall condition.
- Other recent comparable sales were either larger in land size and fully renovated, or sold outside our current quoting range.

Therefore, 7 Milan Street is considered the strongest and most relevant comparable for the property.
