Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

46 Ronald Street, Maddingley does not have three recent comparable sales that sufficiently match the property in terms of land size, location and price range. While other recent sales in the surrounding area have been considered, they differ materially in one or more of these factors and therefore do not provide a sufficiently comparable basis for inclusion.]

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
