Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

The agent believes there have been no directly comparable sales within a 2km radius over the past six months. The property's unique offering of 5 bedrooms, 3 bathrooms, 2 living areas, approximately 23.8 squares, plus a pool and spa, makes it difficult to identify a suitable comparable sale.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
