Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Only one directly comparable property has been nominated within the statutory search parameters. Other recent townhouse transactions within Hughesdale were excluded as they comprised 3-bedroom dwellings, which fail to match the subject property's bedroom configuration and accommodation scale. Expanding the search into neighboring Bentleigh East yielded townhouses that were also non-comparable, consisting predominantly of newer, larger side-by-side constructions rather than the subject property's existing layout and footprint. Incorporating 3-bedroom stock or larger, newly built side-by-side residences would distort the valuation baseline; therefore, additional comparables have been omitted, and the price guide reflects the single relevant benchmark adjusted for bedroom count, age, and build configuration.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
