Reason there are fewer than three comparable properties

☐ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

As the home is fully renovated, however is also a double brick style apartment, there have not been any sales in the same condition. The other brick apartments have been in original condition or have not been modernised whatsoever, and the apartments that are similar in terms of being modern internally, are also modern buildings that are not of brick construction, and so a completely different style of property.
