Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

In preparing the Property Price Statement for the above-mentioned property, I was unable to identify three comparable properties that met the relevant criteria within the required timeframe. The subject property is a vacant parcel of land comprising approximately 731sqm. Due to the property's land size and its nature as a vacant block of land, no directly comparable sales were identified within the relevant area and six-month timeframe. As a result, the Property Price Statement has been prepared without comparable sales.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
