Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

This property is a 3 bedroom, 2 bathroom, townhouse with a double garage. The property listed above at 80 Macedon Parade is directly next door to this one and is of the same configuration, however the outdoor area had been closed off into an alfresco area, with a built in barbecue that was part of the sale; which increased its value.
