Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

A search was undertaken for comparable sales for 840 Inverloch-Outtrim Road within the required 18 month period and 5km radius. In assessing potential comparables, consideration was given to the number of bedrooms and bathrooms, property type, condition, construction, overall build quality, location, accommodation and general standard of the property.

At this stage, I have been unable to identify another two sales within the 18 month period that I consider sufficiently comparable to the subject property, this is due to the uniqueness of the size of the acreage as well as the location of the property and in my view, there are no other fair or meaningful comparisons.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
