Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Only one comparable property has been included due to the limited availability of directly comparable sales within the immediate location. The subject property is further distinguished by its newer-style construction and prominent position at the front of the complex, making it difficult to identify additional sales that accurately reflect its location, presentation and overall appeal.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
