A search was undertaken for comparable sales for 63 De Carle Street, Brunswick within the required six-month period and 2km radius. In assessing potential comparables, consideration was given to property type, land size, bedroom and bathroom accommodation, condition, build quality, location and overall property characteristics. No sales considered sufficiently comparable to the subject property were identified within the required period and radius. The available sales differ materially in land size, configuration, condition, quality or overall property characteristics and therefore would not provide a fair or meaningful comparison.
