Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

In Campbellfield, there are no directly comparable sales to support 32 Chestnut Street, Campbellfield, given that the property is a fully renovated dwelling situated on a half-size allotment of approximately 395 sqm. Recent sales in the area predominantly involve properties on full-size allotments, making it difficult to identify comparable sales

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
