Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

A comprehensive search of recent market activity indicates a noticeable shortage of directly comparable, newly completed homes sold within Botanic Ridge. Because the subject property at 25 Maintop Ridge is a brand-new contemporary residence, local transactional evidence is naturally split: the broader precinct is dominated by established homes that carry varying levels of wear, depreciation, and older build specifications, making direct like-for-like comparisons difficult without adjusting for age and condition.

To provide transparent supporting evidence recent surrounding sales illustrate where the local market is actively trading for family-sized dwellings:

* 25 Altitude Drive, Botanic Ridge: Sold $1,031,000 (3 bed, 2 bath, 2 car on 720 m²) — provides a solid foundation for modern single-level living on a substantial allotment, reflecting strong buyer appetite for newer stock.

* 4 Knowland Grove, Botanic Ridge: Sold $1,100,000 (4 bed, 2 bath, 2 car) — sits right in the heart of our range, proving local transactional depth for quality family floorplans within the estate.

* 16 Knowland Grove, Botanic Ridge: Sold $1,120,000 (3 bed, 2 bath, 3 car) — reinforces that buyers will comfortably pay a premium above $1.1M for versatile, well-appointed layouts in this pocket.

* 37 Limeburner Grove, Botanic Ridge: Sold $1,155,000 (4 bed, 2 bath, 2 car) — defines the top end of the immediate trading corridor for established homes.

While these surrounding benchmark sales sit between $1.03M and $1.155M, none offer the turnkey advantage, modern building standards, and statutory warranties of a newly completed build.
