Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

4 Malacca Street, McKinnon - It has the same number of bedrooms, bathrooms and car spaces. The property is also of solid brick construction and was built around a similar period.However, this property has a larger land size and is situated on a nice, quiet street. Taking these factors into consideration, we believe a slightly lower price guide for our property is justified.
5A Malua Street, Ormond - It features 3 bedrooms, 1 bathroom and 3 car spaces, offering one additional parking space compared to our property. It is also of solid brick construction and was built around the same period as our listing.Although the land size is slightly smaller, the property is situated on a much quieter street compared to ours. It also features an updated bathroom, whereas our property remains largely in its original condition.
