## Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Only one comparable sale was identified as sufficiently relevant to the subject property, being 33 Leila Crescent, Bell Post Hill. This property was selected as the primary comparable for the assessment, having regard to its location and comparable property characteristics. Due to the limited availability of directly comparable properties, the price assessment has been primarily guided by this sale, alongside consideration of the subject property's overall condition, accommodation, land size, improvements and features.

## Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
