Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

When assessing the estimated selling price for the modern four-bedroom, two-bathroom townhouse at 5 Flame Robin Place, Endeavour Hills, we have encountered a distinct scarcity of direct, recent comparable evidence within the immediate vicinity. Four-bedroom townhouses in Endeavour Hills represent a highly unique and tightly held asset class, which has resulted in no direct comparable sales occurring within the standard preceding six-month period. Historical sales that took place prior to this six-month window have been deliberately excluded from our analysis, as they no longer accurately reflect current market conditions, shifting interest rates, or active buyer sentiment. Furthermore, while there are similar townhouse properties currently on the market in the neighboring suburb of Doveton, these have also been strictly excluded from our primary pricing formulation. Endeavour Hills and Doveton possess distinctly different market

dynamics, buyer demographics, lifestyle drivers, and median price points, meaning that any reliance on Doveton comparables would fail to provide an accurate or fair reflection of the true market value and the lifestyle premium inherently attached to the Endeavour Hills locale. Given this lack of direct comparable sales within the required timeframe and immediate suburb radius, the estimated price range for 5 Flame Robin Place has instead been carefully formulated by assessing the property's unique accommodation offering, its near-new condition, and the exceptionally strong localized buyer demand for low-maintenance, turn-key living in Endeavour Hills, while making all necessary qualitative adjustments to account for broader, up-to-the-minute market trends.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
