Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

A search for comparable sales for 11 PLEDGER CLOSE within 6 months and 2km did not find three sales close enough to the subject property. The available sales differ too much in layout, condition, construction or quality to give a fair comparison. More comparables will be added once suitable sales become available.
