Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The agent has conducted an appraisal of the subject property and, having considered its current condition, does not believe it would be reasonable to identify additional comparable properties within the required vicinity that would provide a sufficiently reliable comparison.

Notwithstanding this, we wish to provide the following recent sales as supporting market evidence that we consider relevant in helping to substantiate the current price guide.

16 Marklin Street, Cranbourne VIC 3977 | Sale Price: $535,000
Property Type: House
Land Size: 609 m²
Bedrooms: 3 | Bathrooms: 1 | Car Spaces: 5

While these properties may not be direct comparables in every respect, we believe they provide useful supporting evidence of recent market activity and buyer purchasing levels for consideration alongside the subject property's characteristics, current condition and overall market position.
