3BA FM Christmas Appeal: Bisnet Special

Includes the charity auction of
goods and services donated by the
business community

We have saved the best till last. The Bisnet 3BA Christmas Appeal Auction is by far the most popular morning of the year.

The Appeal is now in its **33rd** year and as always we are grateful for the generosity of local businesses who support this great cause by donating goods and services.

This action packed morning will include a great breakfast, great company and the now famous fun filled Charity Auction hosted by Ray White Ballarat's celebrity auctioneer, Phillip Lee.

All proceeds from the 3BA FM Christmas Appeal will remain in Ballarat for the benefit of local families. It is not too late to donate so please refer to the information attached to this email or ring Leigh or Julia on 5331 1333 to find out more.

Bisnet is once again proud to be associated with the 3BA FM Christmas Appeal charity auction and would be honoured if you could join us on the morning. Let's make this an auction to remember. Bring cash, cheque, money order or any other legal form of tender that is recognised in Australia.
