

Astoria • 222 – 228 Sussex Street

The site at 222 – 228 Sussex Street was acquired by Meriton Apartments in 1993 being developed by Meriton and completed in 1996.

They developed the very popular Astoria Tower which is a 32 storey residential tower with 115 residential apartments. The vast majority are two bedroom configurations with four apartments per floor. Two apartments face west with Sussex Street frontage those higher in the building get partial views of Darling Harbour and beyond to the Blue Mountains. Some of two bedrooms on the eastern side benefit from city aspects with glimpses of the QVB and Town Hall to the east.

From levels 30 through to 32 are the six penthouses, all are flow through apartments that run east to west with the top floor duplex penthouses having roof top terraces.
