

Inmark Tower • 710 - 722 George Street

Built on the previous site of a 3-storey brick building and a single storey retail building Inmark Tower is a mixed use complex comprising a 36 storey tower and a 19 storey tower. The development comprises Inmark Plaza from Ground to Level 2 with retail units, city apartments from Levels 3 – 18, Sky Homes from Levels 19 – 33 with the Sky Penthouses on Levels 34 – 35 which comprise two entire floor penthouses.

It was developed by Parkview Constructions with the initial concept design done by Project Architecture and further design done by the renowned PTW Architects.

Inmark Tower was completed in March 2011 with many of the apartments offering exceptional city views north over the city and west towards the Blue Mountains.
