

Maestri Towers • 298 – 304 Sussex Street

Situated in a prime position between the centre of the Sydney CBD district and Darling Harbour is the sleek modern Maestri Towers Apartments building. Conveniently located on the corner of Sussex and Bathurst Streets.

Maestri Towers completed in mid-2002 designed by architects Marchese Partners and developed by Meriton. All apartments are well appointed and have contemporary stylish finishes.

The building is a combination of residential and serviced apartments operated by Oaks. Perfect for home owners looking for a contemporary city lifestyle or, the real estate investors seeking a high-income investment in a premium location.
