

Mantra • 2 Bond Street

The site where Mantra now stands traded numerous times during the 1980's with various proposals put forward to the final use including commercial, residential and hotel.

Mantra was designed by architect Nettleton Tribe partnership and completed in 1998. It forms a 19 storey residential hotel with 257 apartments, retail units and five levels of basement parking with 143 car spaces. Mantra does have a combination of a hotel and residential apartments; the hotel is operated by Mantra Group.

Part of the popularity of Mantra is its central location on the corner of George Street and Bond Street; it is right in the heart of the central business district and close to ASX, Wynyard Station, Circular Quay and St Martin Place.
