

The Hyde • 157 Liverpool Street

Completed in 2010 “The Hyde” is without doubt one of the most prestigious and sought after developments in Sydney that has redefined high-rise living and in doing so has transformed Hyde Park as the in place to live. The Hyde was developed by Stockland on the site of the Stockland Headquarters. It was designed by award winning Singaporean architects WOHA and built by Grocon. Sold off plan The Hyde was hastily withdrawn from the market within hours of the launch after unprecedented buyer interest which suggests that pricing was buyer favourable.

Each apartment boasts floor to ceiling windows that frame a northerly aspect capturing Hyde Park. Those on higher floors take in magnificent views over Hyde Park, St Mary’s Cathedral, the Opera House and beyond to Sydney Harbour and on to the Heads. An impressive entrance lobby features crystal chandeliers and seraphic glass panels illustrating plant motifs taken from Hyde Park. The Hyde offers exceptional floor plans, high ceilings and superb facilities and fabulous concierge.
