

## The Rex • 355 - 359 Kent Street

The site was acquired back in 1978 for \$450,000 by Hanave, formerly the site of a medium sized office building that was completely demolished back in 2001.

The Rex was designed by Hokin Design Group and completed in mid-2003 by the builder Grocon.

The Rex is a 26 storey residential tower with two retail units.

The Rex is centrally located on Kent Street near the intersection of King Street; it offers easy access in the city and within an easy stroll both to Town Hall, the QVB and Wynyard Station.
