

The Tower - 68 Market Street

The Tower was completed by Multiplex in 2000 and is situated above Swissotel on the corner of George Street and Market Street. There are three core areas of the building that include a Retail Centre, Hotel with The Tower Apartments perched on top. Residents gain the life and luxury of an international hotel without leaving home.

The Tower has created Sydney's most exclusive and desirable residential address at the heart of the Central Business District. Each apartment offers open plan living and quality fixtures and fittings creating a modern and comfortable city home with an extraordinary level of facilities and services. Each well-proportioned apartment you can expect subtle limestone and richly veined marbles and exotic granites combined with finely grained timbers of great variety, providing a magnificent backdrop to your daily living.

All apartments have city views with several having glimpses of water views out to the Heads, Hyde Park and some west to the Blue Mountains in the distance.
