

Sydney Mansions • 133 Goulburn Street

Sydney Mansions has got to be one of the most attractive and distinctive developments in Sydney. A true warehouse conversion, Sydney Mansions is a residential building converted from the historic Mark Foy Warehouse that was built in circa 1920.

It was developed into contemporary 110 New York style living apartments that provide the best of Sydney's historical and industrial charm with all the modern conveniences.

Many apartments feature soaring 16 foot ceilings with sleek oversized windows, numerous apartments overlook Harmony Park and are moments to Crown Street attractions as well as moments to Hyde Park and the city.
